

The Warrior Tradition Essay

What role did/does symbolism of a warrior play in a contemporary Native soldier's choice to serve?

Criteria

- What is the title of the documentary?
- Give a brief description on what the documentary covers.
- What issues were raised?
- What tribes were mentioned?
- What do you see as the main purpose of the film?
- Compare the symbols from *The Warrior Tradition* to symbols from their own modern culture.
- Explain how Native American symbolism was viewed centuries ago and how it differs from contemporary symbolism.
- Identify the major theme(s) and say what you think the film says about that/those themes.
- Provide specific examples from the documentary.
- Summarize your overall statement, briefly emphasizing the main point you want to make about the film.
